Everest: It's Not about the Summit (Paperback)

By Ellis James Stewart

Createspace Independent Publishing Platform, United States, 2016. Paperback. Condition: New. Language: English. Brand new Book. Truly Inspirational! Epic! One of the Best! Amazing Read! This Everest Book Tops them All! Everest: It's not about the summit is a remarkable account of a lifelong goal altered in tragic circumstances two years running by the two worst disasters in Mount Everest's history. Throughout it all Ellis Stewart shows a sense of humility and compassion sharing a heartfelt and emotional twenty year journey. From the streets of northern England through to the valleys and high mountains of Nepal, Stewart shared his story with thousands of followers on social media, winning over the hearts and minds of many. A ground swell of support sent Stewart to achieve his dream, not once but twice. Nobody could have anticipated the events that would follow. Events that would define Stewart in ways he couldn't possibly have imagined. Stewart is not your stereotypical mountaineer. Through the steps he took and his entrepreneurial spirit he was able to fund almost entirely the costs for two Everest expeditions without corporate assistance. In the summer of 2015 Stewart began to write his story of being caught up in these two tragic...
